https://us02web.zoom.us/webinar/register/WN_5pVU-rxmTMO_n7v5mQK7NQ

The agenda will highlight the following themes :

The Power of Storytelling - Demonstrating its role in fostering emotional resilience and connection within families.

Digital Empowerment - Introducing the EUF digital guide, a comprehensive tool designed to support families in their daily challenges.

Interactive Family Engagement - Showcasing the EUF card game, which combines fun and learning to create meaningful family interactions.

The event will also feature presentations by project partners and distinguished experts, offering unique perspectives on the outcomes and applications of the project tools.
